

Bow to Stern Sailing School Keelboat Cruising Program Program Application

The Keelboat Cruising Program is a sailing and leadership development program designed to enrich your sailing and life skills. Opportunities for growth begin with the application where you should complete the application with little or **no** assistance. The interview will be the next step where you will need to assist in scheduling your phone interview. The completed application and interview experience will be reviewed and critiqued during the course of the program.
