EMT-BASIC COURSE

Pamlico Community College is pleased to present an EMT Initial Course beginning January 19th. The class will meet Tuesday and Thursday evenings from 6:00pm to 9:00pm with two Saturday sessions from 8:00am to 5:00pm. There will be an online component as well.

Registration fee is waived for active members of Police, Fire, and EMS organizations. This course will prepare students to sit for the NC credentialing examination. Topics covered include, but are not limited to:

- Body Substance Isolation, Health and Well Being of the Provider, CPR, Cardiac Emergencies, Traumatic Injuries, Splinting, Lifting and Moving Patients, Dressing and Bandaging of wounds, Emergency Vehicle Operations, Radio Communications, and much, much more!

If you would like more information about this topic, please contact Greg Skelly at Pamlico Community College or email at gskelly@pamlicocc.edu.
