

## **New Video//Discussion Series**

### **How Governmental Policies Affect Pamlico County** Oriental Town Hall, Mondays at 6p.m.

**11/27/17 - Video: Democracy for Sale** - Explains how big money in our state politics has led to gerrymandering, decreased environmental protection and fewer social protections. How do these issues affect Pamlico County and what can we do to improve our county?

**To Be Announced - Seismic Blasting** - North Carolina Coastal Federation representatives will present information on the seismic blasting that some companies want to undertake as they look for oil off our coastline. There are problems that affect marine life and fishing industries. What can Pamlico County do?

**1/29/18 - Public Education** - All students in Pamlico County deserve an excellent education. What are the indicators of excellent schools, and how do we measure up in Pamlico County? What are the intended and unintended consequences of our actions as we move towards school improvement in North Carolina?

**2/26/18 - Water Quality** - How safe is our drinking water? How healthy is the Neuse River? How do we protect our water resources?

**3/ 26/18 - Video: The Epidemic** - How did we get here and what does the opioid crisis look like in Pamlico County? What can we do to address the problems in our county?

**4/23/18 - Voting** - What are the voting issues in Pamlico County? What can we in the County do to make sure all eligible voters have access to voting? Why is voting important? What is a supermajority and why is it unhealthy for our state?

**Series Sponsored by The Pamlico Progressives**    [pamlicoprogressives@gmail.com](mailto:pamlicoprogressives@gmail.com)
