After-school and Summer Grant Funding Ends in May

Funding provided by our second multi-year 21st Century Community Learning Center grant runs out in May 2017. We hope you will help keep this valuable community asset open this summer for the kids of Pamlico County.

Here are some of the exciting things that happened last summer:

- 100 children participated in our seven week 7am – 6pm Summer Program.
- Every child went to Camp Don Lee once a week for outdoor activities.

- Academic support was provided to reinforce gains made in the school year.
- Volunteers read to the children, provided fishing trips, taught African Drumming, Flutophone lessons, tennis lessons, basketball lessons, Zumba, and arts & crafts, offered literacy tutoring, mentored future Girl Scouts, and shared many other skills.
- The Children's Theater Workshop in Oriental donated scholarships.
- The children assisted with beekeeping and helped with the garden.
- 24 youth learned to sail thanks to scholarships from Bow to Stern Sailing Camp and Edward Teach Youth Sailing Association.
- No child went hungry. Breakfast, lunch and two *nutritious* snacks were prepared and served last summer for a total of 13,200 meals.

The mission of HeartWorks is to address the under-served mental and physical health needs of youth and their families. Education is the cornerstone of our efforts; nurturing is our method.
