

Pamlico County Library Closes for a Week

The Pamlico County Library must be closed from Wednesday, March 29 through Wednesday, April 5.

Pamlico County High School is appropriating space in the shared facility for dedicated student instruction and the high school library collection. The targeted space is currently used by the public library for the Children's Room, housing the pre-school and juvenile collection, materials, and storytime area.

During the closed period, the Children's Room will be moved into a smaller space now used for group meetings and special programs. "We are sorry for any inconvenience this closure will cause our patrons," said Ben Bowditch, Chairman of the Pamlico County Library Board of Trustees. "We have no choice but to meet the demands of the Pamlico Board of Education."
