

"168.2 Driveway Permit is required. Application for a Driveway Permit required by this article shall be made to the Town Manager on a form which shall be completed by the applicant as specified thereon and shall provide, among other things, a sketch which clearly shows the design of the driveway and the dimensions thereof, any single ~~driveway not to exceed twenty (20) feet in width (or two ten (10) foot widths in a circular configuration)~~in residential zones, and ~~thirty (30) feet~~ 50% of the street frontage in width for commercial ~~properties-zones~~. More than one driveway on the same street side must be separate from another by at least 5 feet, and set back from adjacent properties by at least two and a half (2.5) feet. Provided, however, all such installations shall be constructed so as neither to retain nor impede the flow of water in the gutter line of such driveway, any traversed Town right-of-way and any street and shall comply with handicap requirements when applicable. In addition, a fifteen inch (15") minimum internal diameter culvert is required. ~~Any existing driveways made noncompliant by this Ordinance change (enacted December 2022) may be repaired/replaced to the same dimensions or smaller.~~ If the proposed driveway complies with the provisions of the GMO, the Town Manager shall issue a Driveway Permit therefore.
