Police
Department

This time of year can be stressful for everyone. Here are some things to consider:

Patience is a virtue; Remember Employees, Shoppers, Pedestrian, and Neighbors are just as Stressed as you.

If you have the ability to help others, please do. That effort may have a lasting impact on someone's holiday.

And Be Nice, even if you don't want to.

**Don't Fall Victim
to the Grinch this
Holiday Season!**

Things to Consider During the Holidays:

- Don't leave your packages outside of your residence for all to see.
 - Don't broadcast your new gifts by placing the empty boxes by the road.
 - If you are leaving for the holidays, don't announce that your house is empty by putting it on social media.
 - If you are leaving, leave a lamp, TV, or radio on to give the illusion that someone is home.
- A DWI will ruin your holiday, but a fatal collision will ruin many people's holiday:
 - Law Enforcement will be looking for you!**
 - Violent crimes rates are at the highest during the holidays. Alcohol and drug use fuels the fire.
- Don't fall victim to charity scams. This includes phone calls requesting money and also social media. **Make sure you know where your money is going before you send it .**
 - Keep your purse and wallet secure at all times when shopping.
 - Park in well-lit parking areas at night.
 - Be aware of your surroundings when going to your vehicle with **your keys in your hand**
 - Conceal your purchases when left in a vehicle
