What qualifications do you have that would make you a successful HWAC member I am a local marine business owner and as a commissioner I was liaison to the board. I was also a construction project manager prior to owning my own business. I oversaw \$1M+ projects and I think that will be useful.

Why do you want to serve as a HWAC member I'm a sailor and a local marine business owner so I believe I can be helpful to the town by volunteering on this board

Why would you be an asset to Oriental as a member of the HWAC? I offer perspective as a business owner, sailor, and previous commissioner. I also have intimate knowledge of the town budget process which I think will be beneficial when it comes time to allocate funding for this board

What issues would you like to see HWAC address? Chapter E ordinance revisions and project management of ongoing projects within the committee
