Subject: Meeting time

I understand that the Board will be discussing the scheduled meeting time for the Town Board. I believe the 7pm meeting is a better time for the citizens who wish to attend to be present. The 8 am meeting does not lend itself well to people who work and own businesses Best regards, Suzanne Gwaltney

Subject: board meetings

Holding the town board meetings at 8 PM makes them more accessible for me.

If you would offer the town residents the option of receiving a copy of each board meetings agenda, once it is completed, it might help with residents participation in the affairs of the town.

Good afternoon,

I wish to share my opinion that the Town meetings should be kept at the 8am timeframe.
