Additional comments:	Thanks for asking .	GET OUT BONNIE AND FRANK	If the TownDock reporting is going to be completely one-sided on issues, consider limiting their access to the meetings. Their reporting on the recent issue has been shameless. Better yet, why not video or livestream the meetings?
	7pm	GET RID OF BONNIE AND FRANK	
	Or back to seven pm- best for working people like me	get rid of frank and bonnie	
	7p makes more sense.	REPLACE FRANK AND BONNIE	
	Don't know if it is possible, and it may complicate things, but what about alternating between mornings and evenings every other week so that everyone could go to half the meetings at least. I am unable to go to morning meetings due to work but would like to attend	Let's get rid of frank and Bonnie . Can we vote on this. They need to leave . Our town is not the same right now. RESIGN FRANK AND BONNIE	
	For folks who work for a living, the 8 am meetings are impossible.	AND GET RID OF FRANK AND BONNIE	
	IT IS CALLED A TOWN MEETING FOR A REASON... IT SHOULD INCLUDE ALL PEOPLE IN THE TOWN... NOT JUST THE SELECTED AND THE RETIRED, THIS IS A DIVERSE TOWN, AND WE WHO ACTUALLY WORK AND LIVE, SHOW HAVE A SAY SAY. IT SEEMS THOSE THAT HAVE NOTHING TO DO AND ALL DAY TO DO IT, ARE THE ONES HAS THE FINAL SAY!		
	8 am is unreasonable and 6 pm is dinner time for many, if not most, families. I propose 7:30 pm.		
	The working class needs this. Otherwise they are being greatly under represented.		
	Town supplied cappuccino would be helpful.

Data sorted by IP Address

There were multiple votes from several IP addresses. The system cannot distinguish between businesses and residents. Since businesses & households can have more than one device and more than one resident, these IP addresses were marked in green. IP addresses with more than two votes are marked in pink. Taking into consideration that multiple votes from one address in a short period of time can be an attempt to game the system, only two votes were counted from each pink IP address. The result is: the Vote for 6p lost 7 votes for a total of 91 and the vote for 8a lost 12 votes for a total of 25. There was no loss of votes for the time did not matter.
