Pamlico County COVID-19

Media Release #11

<u>Pamlico County Identifies Fourth Case of COVID-19</u>

FOR IMMEDIATE RELEASE

Pamlico County, NC- On April 9th, 2020 at 13:30 hours the Pamlico County Health Department received confirmation of a positive test results regarding a citizen who was tested for Novel Coronavirus (COVID-19) on April 7th, 2020. The individual tested has been in isolation since the test date.

Pamlico County Health Department and the Pamlico County COVID-19 Task Force are working at this time to conduct contact tracing under State Protocols to make sure anyone who came into close contact with this individual is quarantined/isolated. "Close Contact" is defined as anyone who was within six (6) feet of the individual for a period of ten (10) minutes or more. To protect patient/individual privacy, no further information will be released at this time.

Pamlico County COVID-19 Task Force will continue to encourage Utilization of Social Distancing, Personal Hygiene, Online Services, Virtual Business Means, and "Staying at Home" in accordance with Governor Cooper's Executive Order #121 that took effect Monday March 30th, 2020.

Please stay tuned to Official Sources regarding COVID-19

Chris Murray, Director
