As recently as Thursday, April 28, the Treasury has revised the final rule to allow all NEUs (Non-Entitlement Units) [us] to file all payments received as revenue reimbursement instead of grant funded project under \$10M. The \$274,398.50 is thereby removed from a restricted fund and into both GF and WF to pay for projects accomplished and ongoing. Our report filed Thursday reflects that we have spent \$156,327.17, with \$118,071.33 left to be obligated. These funds can be used this FY or next.*
