Ordinance # 2020-293\_\_\_\_\_

**§ 159-8. Annual balanced budget ordinance.**

(a) Each local government and public authority shall operate under an annual balanced budget ordinance adopted and administered in accordance with this Article. A budget ordinance is balanced when the sum of estimated net revenues and appropriated fund balances is equal to appropriations. Appropriated fund balance in any fund shall not exceed the sum of cash and investments minus the sum of liabilities, encumbrances, and deferred revenues arising from cash receipts, as those figures stand at the close of the fiscal year next preceding the budget year. It is the intent of this Article that, except for moneys expended pursuant to a project ordinance or accounted for in an intragovernmental service fund or a trust and custodial fund excluded from the budget ordinance under G.S. 159-13(a), all moneys received and expended by a local government or public authority should be included in the budget ordinance. Therefore, notwithstanding any other provision of law, no local government or public authority may expend any moneys, regardless of their source (including moneys derived from bond proceeds, federal, state, or private grants or loans, or special assessments), except in accordance with a budget ordinance or project ordinance adopted under this Article or through an intragovernmental service fund or trust and custodial fund properly excluded from the budget ordinance.

(b) The budget ordinance of a unit of local government shall cover a fiscal year beginning July 1 and ending June 30. The budget ordinance of a public authority shall cover a fiscal year beginning July 1 and ending June 30, except that the Local Government Commission, if it determines that a different fiscal year would facilitate the authority's financial operations, may enter an order permitting an authority to operate under a fiscal year other than from July 1 to June 30. If the Commission does permit an authority to operate under an altered fiscal year, the Commission's order shall also modify the budget calendar set forth in G.S. 159-10 through 159-13 so as to provide a new budget calendar for the altered fiscal year that will clearly enable the authority to comply with the intent of this Part. (1971, c. 780, s. 1; 1973, c. 474, s. 5; 1975, c. 514, s. 3; 1979, c. 402, s. 1; 1981, c. 685, s. 2; 2021-60, s. 3.1.)

**§ 159-15. Amendments to the budget ordinance.**

Except as otherwise restricted by law, the governing board may amend the budget ordinance at any time after the ordinance's adoption in any manner, so long as the ordinance, as amended, continues to satisfy the requirements of G.S. 159-8 and 159-13. However, except as otherwise provided in this section, no amendment may increase or reduce a property tax levy or in any manner alter a property taxpayer's liability, unless the board is ordered to do so by a court of competent jurisdiction, or by a State agency having the power to compel the levy of taxes by the board.

If after July 1 the local government receives revenues that are substantially more or less than the amount anticipated, the governing body may, before January 1 following adoption of the budget, amend the budget ordinance to reduce or increase the property tax levy to account for the unanticipated increase or reduction in revenues.

The governing board by appropriate resolution or ordinance may authorize the budget officer to transfer moneys from one appropriation to another within the same fund subject to such limitations and procedures as it may prescribe. Any such transfers shall be reported to the governing board at its next regular meeting and shall be entered in the minutes.
