

Manager's Report

Period Covered June 26- August 4, 2020

Submitted by: Diane Miller, Manager

1. Financial records attached – YTD
2. Tropical Storm Isaias Damage Report: Minimal debris- picking up what residents cannot get to the plant. One tree down, several larger limbs to cut up, minimal loose limbs. Tree Board reports no leaning/hanging limbs. Roads clear by 8AM. No structural damage reported. No flooding/surge/rain damage reported. Power at Water plant still under repair.
3. School- In these times, even SOG has online education. Ms. Cox and Ms. Miller participated in several webinars concerning Governor's Orders WRT water billing cutoffs and late fees. Ms. Cox also participated in SOG audit and revised procedures according to NC Treasurer. Water Certified Public Works staff attended certification classes remotely.
4. Attorney will revise the Wild Animal Ordinance- while what we enacted will work, he's going to make adjustments to make it more bulletproof.
5. Legal fees were \$2,000 for July- including Wild Animal and Minimum Housing Ordinance. We may end up overrunning that line in the future.
6. Consider reinstating fees for raising houses/repair from hurricane Florence (have been suspended since).
7. Clean Marina certification was renewed.
8. We were named one of the top five Harbors in the US by US Harbors.

Dear Mayor Sally Belangia,

It is with great honor and privilege that we recognize your 'harbor' as one of the top 5 finalists in our 2020 "Best Harbor in the U.S." contest! Nearly 100,000 people around the country participated in this year's contest, and out of the 786 harbors who received votes, yours was one of the most popular.

The annual "Best Harbor" contest is ultimately a testament to the strength of our coastal communities; one that reflects the deep commitment and pride of local residents, as well as their ability to effectively communicate with one another and act as a group. These traits are more important than ever as our coasts experience rapid changes, and we are faced with new challenges that affect us both physically and economically. We salute your community for the strength of voice and solidarity it expressed in this year's "Best Harbor" contest!

We hope that your win is as beneficial to your community as it was to the 2019 "Best Harbor" winner, Padanaram, MA. Their harbormaster, Steve Melo, sent us a wonderful letter which included the following: "US Harbors recognition of Padanaram Harbor as 2019's Best Harbor absolutely put us on the chart! It was both humbling and gratifying for our waterfront community to be recognized for unending collective efforts to improve our waterway, our historic village, and the connection between them."

Please accept the accompanying certificate to commemorate your win, as well as several other small tokens of our appreciation. (Note that we have specifically included hats earmarked for your harbormaster/s!)

We wish you and your community a wonderful year ahead as one of the "Best Harbors" in the U.S. and invite you to keep in touch!

Best wishes,
Anastasia Fischer
President, US Harbors
