ARTICLE III – PURPOSE

Section 1 – Public Areas

The first purpose of this ordinance is to regulate the planting, maintenance and removal of trees and shrubs in public areas. In order to protect and conserve trees in public areas, this ordinance provides for the pruning, treatment, and removal of trees, root systems and shrubs as the Tree Board deems necessary, acting under the authority of the Town Board. This ordinance is also intended to provide for the trimming and removal of trees in public areas when they obscure street lights and signs, interfere with surface and subsurface utility lines, or constitute a hazard to pedestrian or vehicular traffic, or otherwise endanger the public health, safety or welfare as the Tree Board determines, acting under the authority of the Town Board.

Formatted: Justified

Section 2 – Intent

The second purpose of this ordinance is to express the Town's intent to use trees to create a more natural and congenial living environment.

Section 3 – Tree Board Responsibility

The Tree Board shall be responsible for promoting the best use, selection and care of trees in public areas, approval of parking lot landscape plans, and for the administration of the long-range Public Tree Master Plan.

ARTICLE IV – AUTHORIZATION REQUIRED

Section 1 – Written Approval Required

No person shall plant vegetation or maintain, remove, or otherwise disturb, any tree or shrub in any public area without first receiving written approval from the Tree Board. Routine maintenance of public areas by the Town or its subcontractors shall be coordinated with the Tree Board.

Section 2 – Town’s Responsibility

In cases of public vehicular safety, the Police Chief or the Town Administrator may immediately remove limbs obstructing traffic signs or impairing vehicular visibility.

Section 3 – Waiver of Permits

In case of emergencies, including windstorms, ice storms, and other disasters, permits may be waived by the Tree Board during the immediate emergency period so as not to hamper emergency work.

Section 4 – Public Areas

The Tree Board may initiate tree or shrub planting or removal in public areas. Town residents may initiate tree or shrub planting or removal in public areas with the written approval of the Tree Board. Nearby property owner(s) will be notified of planned tree and shrub planting or removal.

Section 5 – Town Property

All plantings now and hereafter installed in public areas shall become the property of the Town of Oriental and shall be under the control of the Town and subject to all regulations of the Town thereafter.

Section 6 – Parking Lot Landscaping

The Tree Board shall review landscape plans for parking lots relative to species selection and overall design in accordance with the Oriental, North Carolina, Growth Management Ordinance, Article IX, Section 164.

ARTICLE V – ENFORCEMENT

Section 1 – Powers and Duties

The Tree Board acting under the authority of the Town Board shall have the general powers and duties to:

(a) Direct, manage, supervise, and control the Town Landscape Program to include all planting, removal, maintenance, and protection of all trees and shrubs in all public areas.

ARTICLE VI – ABUSE OR MUTILATION OF PUBLIC TREES OR SHRUBS

Formatted: Justified

Section 1 – Harm to Trees

Unless specifically authorized by the Tree Board, no person shall intentionally damage, cut, carve, transplant, or remove any tree or shrub in a public area; attach nails, advertising posters, or other contrivance to any tree or shrub in a public area; allow any gas, liquid or solid substance which is harmful to such trees or shrubs to come in contact with them; or set fire or permit any fire to burn when such fire or the heat thereof will injure any portion of any tree or shrub in a public area.

Formatted: Justified

ARTICLE VII – PROTECTION OF TREES

Formatted: Justified

Section 1 – Protection During Construction

All trees in any public area near any excavation, construction, or street work, shall be protected in a manner specified by the Tree Board. Private projects shall bear the cost and responsibility of the protection requirements.

Section 2 – Pruning Standards

All trees in public areas shall, to the degree practicable, be pruned or trimmed only in accordance with standards established by the American National Standards Institute, Publication A-300, TREE PRUNING STANDARDS, ~~1995~~ 2023 Edition ~~or~~ later.

ARTICLE VIII – REMOVAL AND MAINTENANCE

Section 1 – Town Maintenance

The Town will maintain trees and shrubs, and remove dead or diseased trees and shrubs in public areas as necessary.

Section 2 – Citizen Maintenance

No private person shall remove trees or shrubs from public areas for any purpose without first procuring written authorization from the Tree Board. The private person who obtains such authorization shall bear the cost of removal.

ARTICLE IX – AUGERING

Section 1 – To prevent excess root damage to public trees during the installation, replacement or repair of underground utilities such as water, sewer, electric, cable television, internet and telephone, contractors and utility providers are required to auger under the tree's root system at a minimum depth of 18 inches according to the following specifications:

Tree Diameter in inches at 4.5 feet above ground	Auger Distance from Face of Tree in feet
0 – 2.5	1
2.6 – 4.5	2
4.6 – 9.5	5
9.6 – 14.5	10
14.6 – 19.5	12
Over 19.5	15

The Tree Board may permit shallower augering if there is justification for doing so such as a high-water table. In the event of an emergency the Town Manager may suspend the augering requirement to repair and restore essential services.

ARTICLE X – SEPARABILITY CLAUSE

Section 1 – Separability

~~Should any section or provision of this ordinance be declared by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the ordinance as a whole, or any part thereof other than the part so declared to be unconstitutional or invalid.~~

ARTICLE X – VIOLATION

The violation of any provision of this ordinance shall constitute a misdemeanor as provided by [North Carolina](#) G.S. 14-4. In addition to penalties as described in G.S. 14-4, damage to or destruction of Town of Oriental trees shall have a civil penalty of

~~\$50~~~~\$500.00~~ per diameter inch per tree up to a maximum of ~~\$500~~~~\$5,000.00~~ per violation. Each tree shall be considered a separate violation. Tree diameter is measured at 4.5 feet above grade for trees greater than 12 inches in diameter, 12 inches above grade for trees 4 to 12 inches in diameter and, 6 inches above grade if smaller than 4 inches in diameter.

ARTICLE XI – SEPARABILITY CLAUSE

Section 1 – Separability

Should any section or provision of this ordinance be declared by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the ordinance as a whole, or any part thereof other than the part so declared to be unconstitutional or invalid.

Section 3-2 ~~That~~ These changes become effective immediately following adoption.
