

Roy Henry Hoffman, 81, of Oriental NC and formerly of West Hurley NY passed away suddenly but peacefully on August 1, 2018.

He is predeceased by his wife Jean in 2006 and is survived by his two daughters, Terry Visconti of Accord NY and Barbra Hoffman of Ivor Va, his son in law John Visconti, two grandchildren Jacob and Ashley and his great grand children Kevin and Matthew.

Roy was the owner of Pamlico Generation, a successful generator sales and service business which he started at the age when most people retire. He worked nearly every day of his life and had just returned from service calls when he was taken to the hospital.

His creative side was well known and his creations in wood, painting, sculpture, cooking, and construction of everything and anything unusual including his home were always top notch. He loved to tell stories and had a deep sense of integrity and morality. During his life he was a devoted husband and father and was very proud of both his accomplishments as well as those of his children. Roy had a zest for life and lived life on his own terms. He will be dearly missed.

Services will be held at the Oriental Methodist church on Saturday August 18, 2018 at 10:30 a.m. with a light reception to follow

If you would like to speak at the services and share your stories of joy from Roy's life, please contact his daughter, Barbra no later than Sunday August 12, 2018 via email at Barbra.Hoffman@hotmail.com.
